-Zumba and/or yoga/aerobics instructor to offer classes to residents
-Babysitters to assist residents with childcare during groups or counseling

Misc.

Donated gift cards to Wal-Mart, etc. are extremely helpful. Gift cards give our families the ability to shop for their specific needs. Our storage area is limited & gift cards give us the flexibility needed.

Thank you for thinking of us! Anything you do is extremely helpful – without the support of our community, we could not help the women and children residing in shelter!

We truly appreciate your support.
